THE NOBLEST MOTIVE --- THE PUBLIC GOOD

SAN JOSE, CALIFORNIA, MONDAY, MAY 18, 1942

Number 139

### Extravaganza Portrays Highlights of American Historic Panorama First Performance This Evening

"Americana" extravaganza goes will recapture many of the great moments in our country's history tonight when the dramatic swim show opens for its first night performance in the San Jose State college pool at 8:30 o'clock.

Five major themes will be enacted by 50 members of the women's swimming club under the direction of Miss Gail Miller of the Physical Education Department.

Hitting a patriotic high in an exclusive production of swimming technique, acrobatic diving and water acting, the show will present these five motifs:

**NATIVE SONS**  
The Native Sons, representative of the life of the American Indian settlement, will include native sports enacted by bronzed swimmers.

Discovery and Settlement will feature pilgrims in the task, both humorous and serious, of building a nation.  
"Growing Pains" is explained by name. Variations from the dramatic Deep River crawl sequence to the humorous leap from the suspended trapeze will constitute the act.

**WESTWARD HO**  
Westward Ho brings on the gold and the bearded prospectors, and the first overland locomotive. Pan-America captures the feeling of the good neighbor policy with a swirl of South American costume and rumba rhythms. Panoramic scenery has been created by Peter Gilli, industrial arts major. All scenery is suspended from the girders of the pool.

**LIGHTING EFFECTS**  
Peter Mingrone of the Speech Department is in charge of lighting and sound effects. The lighting offers water reflection difficulties. The sound effects must be such that the music can be heard by the swimmers in spite of their splashing.

### Wedges Honored at Beta Chi Dance

Field in the scenic, exclusive dining room of the Sainte Claire Hotel, the annual semi-formal dance of Beta Chi Sigma, social fraternity, will be dedicated to five pledges of the organization. Those to be honored are Bob Kelley, Kenneth Porter, Jack Howland and Lawton Hay.

Specially arranged lighting and soft, danceable music of Al Levine and his orchestra will emphasize the "Blue Moonlight" theme of the dance. Davina has played for previous school dances and has just finished an engagement at the Cocoanut Grove in Santa Cruz.

Tuxedos will not be required for the dance, according to Ronald Hadley, dance chairman.

Assisting Hadley on the dance committee are Paul Steiling and Carl Beacock.

Bids are \$1.25 and are on sale at the Controller's office. They may also be obtained from any fraternity member.

### College Health Office Issues Immunization Plan

Following is a special announcement directly from the College Health office:

Typhoid and paratyphoid, though formerly contracted mainly through infected water and food supplies, have been notably controlled by public health measures. During disasters such as earthquakes, floods, and bombings, main pipe lines may be broken and water and sewerage intermingled. Uncontrolled areas are still dangerous. Carriers are still responsible for their spread.

Immunization against typhoid and paratyphoid simultaneously is produced through three hypodermic injections given at weekly intervals. These should be followed by a single dose a year later.

Such immunization is offered by the Health department to those holding Student Body cards. The immunizing series will be begun on Friday, May 29. Anyone wishing this immunization should sign up in the Health office before Thursday, May 21.

### AVIATION CADET EXAMINING BOARD MOVES TO BAY CITY

Due to conflicting reports, the Aviation Cadet Examining Board will not be at the college today or tomorrow, and applicants will have to report to the Aviation Cadet Examining Board at 444 Market street in San Francisco.

In the two days on the campus last week the board enlisted over 12 applicants with five of these being from the State college. The Spartans were William S. Harris, Chester F. Collins, Sherman Gillespie, John D. King and Byron R. Kalin.

Students wishing further information on the new Army Air Force Reserve program should contact faculty adviser Frank Peterson in Room 111A.

Applicants must have their birth certificates when applying, plus three letters of recommendation. Those under 21 must have the written consent of their parents.

### La Torre Receipts

Those students who have not been issued receipts from La Torre, may have them from the bulletin board in the La Torre office. Please call for these at once.

Fifty extra La Torres have been purchased from the printer, and those students who saw Walt Schmidt last week concerning La Torres may purchase them at once.

Those students who have placed holds on La Torres please come to the La Torre office at once and receive your receipts. No La Torres will be issued to students who do not have their receipts, says Walt Schmidt, business manager.

### ELECTION JUDGE WARNS TWENTY-EIGHT ASSOCIATED STUDENT BODY OFFICE SEEKERS AS SPARTANVILLE ELECTS LEADERS IN THREE FIELDS

#### Twenty-Two Nominees Fight For Council; Five Others In Court Race

With the stern warning of Election Judge Gene Long ringing in their ears, 22 Spartan students will battle it out for the seven Student Council seats, five others fight for judgeships on the Student Court and one lone yell leader candidate takes it easy, in today's Student Body election held from 8 a. m. to 5 p. m.

The warning issued by Long was that no candidate can put up election signs any place except in the main quad. This means that all signs in the corridors, in the Student Union, and the Men's gym must be taken down. Long also emphasized that there won't be any electioneering tolerated near the voting polls.

### Senior President Requests Cars For Sneak Week

Wes Young, president of the senior class, sends out a plea for cars to transport the seniors during Sneak Week. The campaign for more cars donated by the members of the class will close when a second automobile registration will be held Wednesday, Young said.

"More and more seniors are signing up for the Sneak, which increases the transportation problem. We'll have to get more cars or it will mean a breakdown of the whole thing. No cars... no Sneak," was the statement made by Young, Friday.

Young especially wished to appeal to the senior women who are a majority in the class. "Lots of responsibility will have to come from them if we want to sneak at all," concluded Young.

### Johnson High Man In Music Contest

Winners of the San Jose State college annual musical composition contest which opened last month to students of the college were announced today by Mr. George Mathews, theory instructor.

The contest was classified into four types of compositions: piano solos, vocal solos, instrumental ensembles, and vocal ensembles. Contestants were permitted to enter a composition in every type.

Judge for the contest was Professor Russell Bodley, music theory instructor at College of Pacific. He is also contest judge for the National Phi Mu Alpha.

Harrill Johnson, senior music major, was high winner, taking a first, second and third. The winners were announced as follows: Piano solo: James Urbani, Johnson, Louise Midwinter; vocal solo: Duran Hernandez, Donald Knight and Johnson; vocal ensemble: Johnson, Phyllis Hiney and Dorisse Thomassen; instrumental ensemble: Walter Dahlin, John Deaper and Knight.

The winners of all the contests will present a program on June 4 in the Little Theater. All compositions will be played by groups or soloists of the composer's choice. The cash awards are \$10 for first prize, \$5 for second and \$2 for third. A triple winner, however, receives only one cash award.

#### PRESIDENT ELECTION

An election for the Student Body President and Vice-President will be held on Wednesday, with the candidates for these positions picked from the seven victorious campaigners today.

Election officials estimate that one-third of the student body will turn out for the election today. The Spardi Gras Queen election had a 35 per cent vote, the highest cast during the present school year.

The Spartan Knights are to report to the Science building, Tau Deltas in front of the Morris Dailey, and Edna Mae Marhafer's group at the Student Union for election duty, according to Election Judge Gene Long.

Long says that only those students with Student Body cards will be eligible to vote, and all ballots for the Student Council marked with less than five names and more than seven, will be void.

#### LIST OF CANDIDATES

Student Council: Marjorie Behrman, Mary Virginia Bristow, George Coles, Charles Cook, Don DeVoss, Rex Gardiner, Izzy Gold, Tom Griffin, Don Haas, Ronald Hadley, Betty Hood, Arthur Imman, Bob Jennings, Jane Jillson, Weber Lund, Carol McDaniel, Denny Morrissey, Ivan Olsen, Francis Stoffsels, Tom Taylor, Lorraine Titcomb and Joe Weitzenberg.

Senior Court: Milton Grassell, Arthur Grey, and Dan Meehan.

Junior Court: Don Campbell, Marshall Kelley.

Yell Leader: Edward Kinkaid.

### Commerce Dinner Tickets Selling Fast - Chambers

Tickets for the third annual Commerce dinner are going very fast with one hundred tickets already placed, and only 50 more available, announced Ed Chambers, ticket chairman, yesterday.

"There is a definite possibility that there will not be enough tickets to go around, and it is advisable for those wishing to attend to purchase their tickets as soon as possible so as to be certain of a place at the dinner," Chambers stated.

The dinner will be held at the Hotel Sainte Claire, June 2, featuring as entertainment a floor show and music. Highlight of the floor show will be some professional acts which have been recently arranged.

Guest speaker will be Dr. Frank Munk, commerce professor at the University of California.

### THEATERS

Coming to the Mission theater this week is the movie version of that well-known book, "The Spoilers," starring Marlene Dietrich and Randolph Scott with the companion feature "Butch Minds the Baby." Virginia Bruce, Brod Crawford and Dick Foran hold the leads in the latter picture.

"Reap the Wild Wind," hailed by critics as one of the season's best, will be playing at the California theater this week. Ray Milland, John Wayne, and Paulette Goddard are the featured performers.

Those two slapstick comedians,

Bud Abbott and Lou Costello, keep the audience laughing in their latest picture, "Rio Rita," a musical comedy which plays at the Padre theater. On the same bill is "Frisco Lil" with Irene Harvey and Kent Taylor.

### SPORTS

For students who want to spend an enjoyable afternoon the San Jose Riding Academy offers the best horses for rent by the hour or for the afternoon. Summer days are longer, which allows for longer periods of riding. Try it after school some time.

If you like a good game of pool you'll enjoy a quiet, relaxing eve-

ning at the California Billiards.

For those who like to crowd a lot of activity into their good times, the Auditorium Roller Rink is the place to go. Skating is healthful and stimulating, and it will keep you feeling fit to carry on added defense activities.

### RESTAURANTS

If you're planning to eat out, go to the Italian Restaurant. Order one of their specialties—spaghetti or ravioli. You'll like that grand Italian flavor of all their dishes.

After an evening at the library or the show, or just for a mo-

ment of relaxing, drop in at the Garden City Creamery. Try their special sodas and sundaes. Or have one of the mammoth milkshakes. They're just the thing for a late evening refreshment.

To keep in the best condition for the greatest defense efforts, you should eat the most wholesome foods. American Dairy products are noted for their all-around goodness and flavor. Take American Dairy milk regularly. Order some of their ice cream for tonight's dinner.

### SERVICE

Keep your car in good running condition for those weekend trips

to the coast. Stop at the Walterton Stations for a check-up today. Let them lubricate your car and change the oil, and don't forget to have that winter mud washed off.

Do your shoes need fixing for that special interview? Call at Flindt's Shoe Repair Shop for the best service at reasonable prices. You'll be sure to look your best if your shoes are in top condition.

# Spartans Take Third In Relay Meet

## Spartan Daily Sports

SAN JOSE, CALIFORNIA, MONDAY, MAY 18, 1942

### SECOND STRING NETMEN LOSE TO COLLEGE OF PACIFIC TEAM, 4-3

Using a substitute lineup, Coach Erwin Blesh's San Jose college netmen dropped a close four to three decision to College of Pacific Tigers Thursday at Stockton.

Winners for the Spartans were Ted Andrews and Bill Walker in the singles matches; Andrews then teamed up with McConnell to win one of the doubles matches.

This marks the end of the current season for the local racquet wielders who won the 2C2A and the Northern California Intercollegiate tennis titles.

**SAN JOSE COP**  
McConnell lost to Hutcheon, 6-0, 9-7.

Thorne lost to Hunefeld, 6-3, 4-6, 6-4.

Andrews defeated Traphagen, 1-6, 7-5, 6-2.

Nicholson lost to Craven, 6-1, 6-4.

Walker defeated Hamm, 7-5, 8-6.

**Doubles**  
McConnell and Andrews SJ d. Hutcheon and Hunefeld, 6-2, 6-4.

Thorne and Walker SJ lost to Craven and Traphagen, 6-4, 6-4.

### Freshman Girls!

In answer to your challenge for a softball game on the San Carlos turf on Thursday, May 21, we accept with pleasure. We realize that our age gives us superiority over the green freshman girls, but we will lower ourselves for the afternoon in order to show this over-enthusiastic younger generation that it ain't the way you blow that wins the game — it's the way you bat.

— Sophomore Girls.

### More Spartans Now In Service

Additional names contributed to the record of Spartans in service:

Clarence Andrade, Peter Aboud, Michael Anello, Luke G. Bachan, Donald L. Brown, Ernest Camara, Andrew J. Cooper, Ben Ferry, Arthur L. Fogg, Carlton Gearhart, Howard Glurich, Emil Heldeinger, Glenn Kelley, Frank Kline, Lauren Long, Harry Miracle, Tosh Mitome, Albert Morrell, Don Morris, Ronald Mongeon, Lloyd Murdock, Guy Payton, Fred Rogers, Earl Rother, Linton Stebbins, Carl Stungenrauch, John Talia (misspelled Tulia), Myron White, Bill Wilson, Eugene Washington and Chauncey Benevento.

### Traveling Hot Dog Interrupts Work

A small brown and black dog that looked like a "traveling hot dog" almost disrupted work on the library landscaping contract last Saturday.

Richard, a small German dachshund, started to bark at the horses pulling the plow. The horses, unaccustomed to such action, started off in an entirely new direction—away from Richard. It was only after considerable coaxing that Prince and Dobbin could be persuaded to return to the job. When they assured themselves that Richard's advances were friendly and not malicious, they settled down to finish the afternoon's work.

As soon as the plowing is completed, the ground will be harrowed and lawn and shrubbery will be planted.

### Nine Fledgling Pilots Solo in Formation

Every day this type of formation flying is enacted over the West Coast by primary students of the West Coast Air Corps Training Center. In their Ryan primary trainers, nine of Uncle Sam's most recent Aviation Cadets pilot their planes in right echelon. In a few weeks the cadets will be on their way to faster and larger ships. In a few months they will receive their wings as second lieutenants and to nine more young Americans will have added their strength and skill to the defense of Democracy. Married men may now apply for Aviation Cadet training.

## SAN JOSE ROLLS UP TWENTY POINTS WHILE MAKING BEST SHOWING IN COLLEGE HISTORY; DAVIS TIES WORLD RECORD TRAILED BY SMITH

Coach Bud Winter's Spartan cindermen turned in the most impressive record ever made by a San Jose track team in the West Coast Relays as they scored 20 points to grab third place behind U. S. C.'s national championship squad and the University of California in Ratcliff Stadium in Fresno, Saturday night.

Bill Smith led the San Jose team with a pair of second places. He lost the 100-yard dash by less than a foot to Hal Davis of the University of California.

### On Campus Sports

BY "KID" SPARTA

#### Inter-Fraternity

With the inter-fraternity basketball tourney under the wire with Delta Theta Omega the champions, the six on-campus social fraternities will next turn to track. Delta Theta Omega has won the track title for the last two years. The DTO team piled up 72 points while limiting their nearest rival, Delta Sigma Gamma, to 27 points.

The annual softball tourney will not be staged this year as the time left will not allow the completion of the tourney. However, the six teams will play games in the departmental league and among themselves.

#### ADAMS TOPS

Gareth Adams was crowned top scorer in the cage tourney last Thursday by scoring 15 points against DSG to up his total for the five games to 128 points. He was followed closely by Doug Bacon whose point total read 126 points. Bob Gager moved into third with 69 points ahead of Dick Lepper and Louie Havey.

The ten leading scorers were:

Adams	.....DTO	128
Bacon	.....DSG	126
Gager	.....DSG	69
Lepper	.....BCS	66
Havey	.....APO	65
Drake	.....GPS	43
Wyand	.....SGO	42
*Sargent	.....SGO	39
*Urhammer	.....DTO	34
*Manley	.....DTO	34

\* Competed in four games only.

#### DTO HIGH

The DTO five piled up the most points in the five games with a grand total of 275 points. Second spot went to runner-up DSG with a 242 total. Alpha Pi Omega tallied 180 points in winning two out of five contests and Sigma Gamma Omega followed closely with 175. Beta Chi Sigma, although winning no games, garnered more points than Gamma Phi Sigma with a total of 146. GPS totaled 126 points for the five games.

#### Softball

Thursday afternoon the Commerce department defeated the Aeronautics softball team and not the Engineers. The Engineers have yet to make an appearance this year but will face the Publications department a week from tomorrow.

Tomorrow afternoon the Scribes tangle with the Music department, and Wednesday they face the Gamma Phi Sigma nine.

Kindergarten-primary students who wish to see the English film of the Hampstead Nurseries, "The Care of Young Children in War Time," on Thursday, May 21, at 7:45 p.m., see Beverley Roberts at 12 noon on Monday in Room 153, Ed. building.

Davis of the University of California, who ran 9.4 seconds to tie the world record and placed second to teammate Willie Steele in the broadjump.

This was Smith's fourth defeat by "Hurry Up" Hal who was trailing at the 95-yard mark but gathered to nip Smith at the tape. The track conditions were perfect so an application for official A. A. U. recognition of the time will be made and if granted will place Davis among the track immortals.

The San Jose showing in the relay events was disappointing as the 440-yard sprint relay team was scratched when Bill Rhyne turned up ill. Homer Philbrick came through with a blazing 1:57 half mile in the opening lap of the intercollegiate two mile relay but Guido Teresi and Bob Ingram couldn't hold the pace and lost too much ground for Thelno Knowles to make up in the anchor lap.

The Spartans came through in the special college class mile relay with a victory over Fresno State after Jim Schraub and the ailing Bill Rhyne had lost a good ten yards. Ralph Kaufman and Thelno Knowles made this up and Knowles came home an easy winner in the good time of 3:21.5.

San Jose fared much better in the open events where, in addition to the first and second in the broadjump by Steele and Smith and Smith's second in the 100-yard dash, Omar Cowles took third in the high hurdles and Frank Minini placed in both the shotput and discus.

Cowles, who has been improving rapidly since his recovery from a leg injury which kept him out of competition the early part of the season, looked good in grabbing third behind Ed Hurlal of Stanford, who ran 14.3 and Biewener of the University of Southern California.

Minini came through with a third in the discus with a heave of 142 feet 6 1/2 inches and took fourth in the shotput with a toss of 48 feet 11 1/2 inches.

The team scores: University of Southern California 73 1/2; California 49; San Jose State 20; Stanford 17; Fresno State 12 1/2; U. C. L. A. 8; Arizona State 6; Cal Aggies 2.

## NEWS BRIEFS

### DNT Initiates

Delta Nu Theta, Home Economics honorary society, initiated three members last week at a formal ceremony held in room 44 of the Home Economics building at 7 o'clock.

Those initiated were Barbara Knudsen, Isobel Heath and Esther Snow.

Miss Maude Murchie, State supervisor of Home Economics, was elected as an honorary member at the ceremony, but could not be present.

Dr. Margaret Jones is the other honorary member of the society.

### EPT Initiation

Campus chapter of Epsilon Pi Tau, national honorary industrial arts fraternity, held a joint initiation and banquet with the Chico State college chapter at the Senator hotel in Sacramento Saturday.

Those initiated from here were George Richmond, Walter Chang, Warren Hodges, Robert Brooks, Don Van Sandt, Ward Van Tilbork and Allen Sotzin.

### Alumni Meeting

Dean of Men Paul Pitman and Mr. Edward H. Haworth, appointment secretary, will attend a dinner meeting of the San Francisco chapter of the San Jose State college Alumni association in San Francisco, May 27.

At the meeting they will give recent happenings on-campus and bring the information of this chapter up to date previous to the Alumni Home Coming which will be held on-campus June 6.

Victor H. Erickson, '38 graduate, is president of the San Francisco chapter, and Catherine English, '39 graduate, is secretary.

### CSTA Elections

Election of officers will take place at the California Student Teachers' association meeting to be held tomorrow at 4 o'clock in the afternoon in Room 1 of the Home Economics building.

Candidates for president must be juniors or seniors who will not be doing student teaching next fall quarter. Other officers to be elected are vice-president, secretary and treasurer.

## Stanford English Professor Speaks On Phelan Program

Dr. John Dodds, professor of English at Stanford university, will be the guest speaker at the annual Phelan program which will be held in the new library Thursday at 2 o'clock.

The title of Dr. Dodds' talk will be "The Role of the Humanities in Peace and War."

At this same meeting, students who submitted manuscripts in drama, short stories, poetry, and essay to the Phelan literary competition will be awarded \$350 in prizes. This money was willed by the late Mr. J. D. Phelan to the college to encourage creative writing.

## ALICE MODRY PENS RADIO DRAMA FOR PRESENTATION

The second radio drama by student writer Alice Modry will be presented over KQW Tuesday night at 10:30. The play is titled, "Never Despair."

The drama for Tuesday is centered around a sea captain who hated the sea and tried to keep his son from becoming a sailor. Nevertheless the old man's son became sea-bound, and the captain went insane and spent the rest of his life in a delusion that his son would some day return.

Johnson Mosher, former state student, will take the part of the captain; Margaret Moeck portrays the girls; and the son will be played by Frank Valenti. Small parts will be taken by Tom Taylor, who will also announce, and Alice Modry, author and director of the production.

## JOB SHOP

Gardening work is offered to some one interested in working for their room.

Service station job open. Pay is 50 cents an hour.

Two dishwashing jobs are offered.

Two theater doormen are needed. Hours from 1 in the afternoon on.

There will be a junior council meeting in room 24 at 4 today.

## YM-YW SCHEDULES STUDENT-FACULTY CONFERENCE FOR REDWOOD LODGE THIS WEEKEND ON "PLACE IN WAR"

### Spartan Senate Holds Symposium

In a symposium designed to present a picture of the war, the Spartan Senate, honorary debate society, will feature a program of guest speakers tomorrow at 8 o'clock in the Student Union.

With Dr. William Poytress acting as moderator for the discussion, Mr. Owen M. Broyles will speak on "Economic Warfare." Dr. Victor Hunt has as his topic, "Social Conflicts and the War," and Dr. Olive Gilliam will discuss "Imperialism and the War."

Following the formal speeches a general discussion is scheduled with audience participation playing a large part.

Organizers for the symposium emphasize the point that the general student body is welcome.

## EXTRAVAGANZA

(Continued from page 1)

swimming caps and the swish of the water.

Jack Green, piano virtuoso of San Jose State college, will improvise all accompaniments on the Hammond organ.

Entrance procedure to the pool pavilion by ticket holders has been explained by Director Gail Tucker: As there is no stage curtain for the swim production, the seating room must be used for last-minute assignments and organization. Therefore ticket holders are asked to wait in line at the door until the doors are opened at 8:30 o'clock.

Each ticket represents a seat, says Miss Tucker; no one will be left without a seat because of the waiting line. No person will be admitted without a ticket, and seats will not be sold at the door.

General Elementary and Kindergarten-primary majors who plan on doing student teaching during the fall quarter, 1942, please make application at the Education office, Room 161. All applications must be in before Wednesday, May 27.

An all-college student-faculty conference at Redwood Lodge, the Santa Cruz mountains is scheduled for this weekend, May 24.

Sponsored by the college and YMCA, this will be the Redwood Lodge conference theme of which is "Our Place World at War." Open to interested, the entire cost is \$50 cents of which is due at time of registration.

Registration for the conference has started and students wish to do so may sign up in the Student Center.

Discussion of subjects pertaining to the present situation how it affects us will be led by faculty members, a major in Army, and an employee in United States Employment Service.

Recreation consists of games and dance Saturday night.

## Speaker's Bureau Aids War Effort

In conjunction with downtown civilian defense activities and part of a nation-wide civic movement, the Speakers' Bureau of the Spartan Service and Defense Council will work on the Stamp Pledge campaign taken over the city.

Five members of the advanced public speaking class and five of the Forensic squad will be chosen to represent the school in this sense work.

The group will speak at junior high and elementary schools in an effort to get the young citizens to pledge themselves to buy a certain amount of defense stamps each week.

Marilynne Skinner is chairman of San Jose State college's part of the campaign, working under Joseph Chargin, postmaster of San Jose.

Under Chargin, a group of downtown civilian defense workers will speak before business organizations and other societies at their regular lunch meetings.

All members of the Spartan Senate should see George Hart at 3 o'clock in the Student Center today.

# STUDENT COUNCIL CANDIDATE PLATFORMS

### Marjorie Behrman

As a candidate for Student Council, I believe that you as students would like to see more Student Assemblies held, more inter-class activities planned, and a well co-ordinated student defense program functioning.

### Mary V. Bristow

If I be so fortunate as to be one of the seven elected to the council, it shall be my purpose and aim to at all times work for the general welfare of our students and college.

### George Coles

I am basing my candidacy on the platform entitled Principles, Progress and Participation. It is a pledge of policy. If I am elected, anything that I do will be done with this pledge in mind.

### Charles Cook

I stand for a more liberal form of student government, increased student participation in administration affairs and a continuance of privileges that are in danger of being taken away by the war.

### Don DeVoss

As a candidate for office I would like to emphasize defense measures on-campus, and would do my part to live up to the high standards of efficiency which have been set by the present council.

### Rex Gardiner

I do not wish to back any one political platform. I shall openly evaluate the ideas and opinions of others, and endeavor to submit to their judgment ideas which will further the work of the council.

### Izzy Gold

My efforts will be concentrated on bringing about a wider participation of the student body by extending more chairmanships and committee responsibilities to students outside of the council itself.

### Tom Griffin

I believe that student body elections should not be popularity contests. They should be the logical and sincere selection of students who have proven themselves energetic leaders; therefore you should support a qualified candidate.

### Don Haas

I believe in doing my best at all times and if I am elected to

the Student Council I will do everything possible to prove it.

### Ronald Hadley

I stand for (1) carefully planned expenditures of student funds, (2) an effective advertising plan for our Alma Mater, (3) fostering of co-operative movements among our student organizations, and (4) a truly student representative government.

### Betty Hood

I realize that running for the Student Council is the height of a college career, and if I have the opportunity to serve the Student Body I'll sincerely make an effort to measure up to your standards.

### Arthur Inman

I feel that our Student Government will be forced to use efficient business methods in order to maintain those activities most beneficial to the students and the college. Therefore I base my qualifications upon previous business experience on our campus.

### Bob Jennings

If elected I shall endeavor to uphold the interests of the mass of the student body rather than the interest of any particular group or organization.

### Jane Jillson

Fellow students, if you elect me to the council I will do my best to take my share of the responsibilities and co-operate with the student body in all of our activities.

### Weber Lund

I say frankly that you can trust me to accept the full responsibilities of Student Councilman and to handle them in a competent manner if I am elected.

### Carol McDaniel

I have no party or group to uphold. I will, if elected, work to further the interest of every student for the best general welfare of the student body.

### Denny Morrissey

If I named my platform it would be flexible enough to cover those things beneficial to the student body. If you place your faith in me I will do my utmost to fulfill your expectations.

### Ivan Olsen

In running for the council I advocate the following: (1) Friday noon dances, (2) Annual Men's Week preceding Spardi Gras, (3) Creating elective intra-mural managership, (4) Annual P. E. Circus.

### Francis Stoffels

1. Progress—(A) Board of Student Publications; (B) Uniform class councils on proportional representation. 2. Principles (A) Eliminate race discrimination; (B) Fair and unbiased consideration of all student proposals and suggestions. 3. Participation—(A) Co-operative extracurricular activities; (B) Democratization of committees.

### Tom Taylor

Its simple and to the point. I shall attempt to create a closer relationship between student body and the Council. More student body meetings. Watch words: organization operation.

### Lorraine Titcomb

As a candidate for the council I would like to help State keep its well record of sportsmanship and to help further class spirit especially during the next year when spirit will be so necessary.

### Joe Weitzenberg

If you elect me as one of the representatives on the Student Council, I will try to transfer the business of the student body to the best of my ability.
